2. The revised estimate is not based on the design furnished by this office. The top of the Gopuram according to the present proposal is 18'x 12' while that in the design furnished by this office measures only 9' x 8'. The Gopuram as proposed is too steep and unnecessarily massive. The original design may be followed constructing intermediate floors with well-holes wherever possible and the required offsets obtained thereon, if necessary.

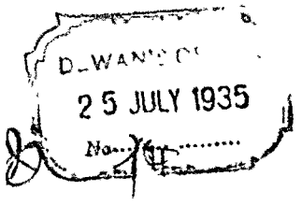
M E M O R A N D U M.



1. The Original Estimate for the construction of the Gopuram of Sree Dharmarayaswami temple prepared by the Executive Engineer in July 1934 stood at Rs.4,500/-. Towards this a sum of Rs.2,760/- as detailed below has already been placed at the disposal of the P.W.D:-

Contribution from Devotees ...	Rs.1,010/-
Drawn from Temple Funds. ...	Rs.1,000/-
Contribution from Government	Rs. 750/-
	Rs.2,760/-

The balance of Rs.1,750/- would have been readily made up by the Devotees Rs.1,250/- in cash and Rs.500/- in the shape of the brass Kalasas, had the work been taken in hand. Even now this amount will be donated and made available as soon as the work is started, or in the event of any delay, the amount can be easily drawn from the Temple Funds. But, the Estimate and plan are, it is understood, undergoing revision. The devotees are anxious that the temple should have the gopuram at least before the next Karaga festivities in March 1936. It is therefore prayed that the work may be ordered to be taken up as early as possible, so as to enable it reach completion in time.

2. The surroundings of the temple are any thing but satisfactory. All round there is

Rs 25-/- sanctioned.

is considerable congestion and insanitary environment. Improvement of the entire locality is a very pressing and urgent need.

A kind inspection of the place on any convenient morning is solicited to facilitate suitable instructions being issued for doing up the whole area and giving it a brighter and pleasanter outlook.

Yours faithfully

CONVENER 25/7/35

P.O

25/7/35

The connected papers (Nos. 114-34) are perhaps. In its latest letter dated 16.3.1935 the M.C requested sanction to the revised estimate for Rs 5800 for the construction of gopuram to the Sri Bhoganarayanaswami Temple in question. The chief Engineer who was consulted in the matter, stated his opinion that as the revised estimate was not based on the design furnished by his office the original design may be followed commencing intermediate floors with bell-holed beams, bonding and the required offsets obtained thereon, if necessary. These remarks of the chief Engineer were communicated by the M.C to the D.C. Bangalore for further action with the revised estimate and other connected papers.

2/ Further revised estimate from the M.C is awaited.

revision in certain respects, the H.C submd a revised estimate for Rs 4500 with his letter dated 2.10.1934. For the reasons stated by the chief engineer in para 10 of the notes supra the above estimate was returned to the H.C, for further revision in the light of the remarks of the chief engineer. The Hindu Commissioner has accordingly submitted now a revised estimate for Rs 4050 which has been checked and corrected to Rs 4100/- including a provision of Rs 366 on account of establishment tools and plant charges.

(10) The H.C has stated that the above estimate may be sanctioned and the work ordered to be commenced early in view of the undertaking of the Shalmadars of the temple to make up the deficit. He has further stated that in the event of the Shalmadars not fulfilling their promise, the balance required viz Rs 1600 (over the sanctioned estimate for Rs 2500/- now proposed to be cancelled) would be made available by disposing of the 6¼ % State Loan Bonds held by the temple.

4) As regards improvements of the surroundings referred to at paras 43 and 45 of the Notes supra the Municipal Comm has invited reference to his final report dated 6.2.1936 stating that special attention is being paid by the Bangalore City Municipality to keep the surroundings clean. But mere cleansing the surroundings of the temple is quite different from effecting improvements to the locality and the latter seems to be the point referred to in paras 43 and 45 supra. Regarding this point, reference is invited to para 2 of the Municipal Commissioner's letter dated 16.1.1936, in which he had stated that the question involves removal of private buildings, for which regular acquisition proceedings will have to be taken and that

NOTE—Contn. Sheet.

WD 0417--GPE—30,000—8-9-36

the cost of the same will have to be met either from the temple or from the Municipal Fund. He has further stated therein, that in case if the temple or the Dept is agreeable to this, necessary action would be taken in the matter. Reference is also invited to para 2 and 3 of the M.C's letter of 20.1.1936 to the Executive Engineer Buildings Division in the matter. Apparently for want of funds, the M.C has dropped the proposal of the Municipal Commissioner To make the point clear, a draft to the M.C is putup for orders.

The Convenor of the temple committee of Dharmadarsis of the temple refers to the considerable congestion and insanitary environment of the temple. Attention is invited to the Swami's orders on this point. (Vide para 16 of the notes). The Munsif Comm. was requested to take necessary action in the matter. (Vide letter No. 131 dated 7th Aug. 1935). The Munsif Comm. reports that special attention is being paid to keep the surroundings clean. But this is not what the Convenor has suggested. Congestion and

* Munsif

Gopuram to Sri Kumaran, assistant of ours.

General and Revenue Secretariat — File No. — of 193 5. — [App. F. III—2

insanitary environment referred to by him can only be remedied by acquiring some of the property adjoining the temple.

2. The revised estimate for the Gopuram of the Sri Dharmaraja Swami Temple in this connection should also be sent to the Collector of the M.P. addressed to the Executive Engineer (Cuttack dated 20.1.36 wherein he had stated that it is not possible to provide for more than Rs 5000 for the Gopuram work, but if acquisition of buildings on either side is to be carried on then naturally the estimate would swell high. The M.C. thinks that special attention is being paid by the Municipality to keep the surroundings of the temple clean, and as such it is submitted the estimate for improving the Gopuram of the temple may be sanctioned and action taken afterwards to achieve expansion by acquiring some of the buildings as finances permit.

Through
The Chief Engineer of Mysore, Bangalore

SIR,

Subject:- Construction of Gopuram to the Sri Dharmarayaswami Temple in Ulsoorpet, Bangalore City.

With reference to G.O. No.1100-2/Muz.190-33-2 dated 15th Februar 1934 sanctioning a contribution of Rs.750/- from the State and Genera Muzrai Fund grants towards the above work, I have the honor to state that an estimate for Rs.2501/- excluding the establishment, tools and plant charges was sanctioned in this office order No.C.1461/31-3 dated 21st February 1934 (copy enclosed). In his present communication No.C3-4766/33-34 dated 8th September 1934 the Deputy Commissione has stated that the plan and estimate were found to require modification as the provision in the sanctioned estimate was inadequate and has sent a revised estimate for Rs.4500/- prepared by the Executive Engineer, Bangalore Division. He recommends that as the devotees are making arrangements to provide the Kalasams for which there is a provision of Rs.500/- in the estimate, the balance of Rs.1500/- may be made available from the sum of Rs.10,000/- deposited under the Charitable Endowment Rules.

Some of the Dharmadarsis of the temple including the Convenor interviewed me on the 25th ultimo and presented the accompanying memorandum, undertaking to supply Kalasas at a cost of Rs.500/- and also the balance of amount required towards the cost of revised estimate and praying that the work may be ordered to be taken up immediately. They stated that contributions would be more readily

forthcoming from the devotees when they ~~saw~~ the work in progress.

In these circumstances, I request that the item of Brass Kalasas provided for in the estimate may be omitted and the estimate as finally revised by the Chief Engineer may be sanctioned and the work ordered to be commenced as expeditiously as possible in view of the undertaking of the Dharmadarsis to make up the defecit. In the event of the Dharmadarsis not fulfilling their promise, the balance of the amount required towards the sanctioned estimate will be made available by ~~depositing~~ disposing of the 6¼% loan bonds held by the temple, as no portion of the compensation amount deposited under the Charitable Endowment Rules can be withdrawn.

The entire file of papers is sent for reference and return.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

NEW PUBLIC OFFICES,

Bangalore, 30th January 193

Dear Sir,

With reference to your ...o. letter No.165 dated 27th January ... and in continuation of our personal discussion yesterday ... the reconstruction of a gopuram to the Sri Lakshmiramanaswami Temple at Basavanagudi, Bangalore City, I write to inform you that the estimate for Rs.[illegible] now prepared is beyond the amount at my disposal and it will not, therefore, be possible to finance the proposal. The sum of Rs.[illegible] ed for the land acquired by the Municipality has been debited to the Sacrosanct Sub-Head and the provision of Rs.[illegible] current expenditure. You know the sort of estimate entailing ... Rs.[illegible] of Institutions in this office which [illegible] s sum of Rs.[illegible] on capital ... and Rs.[illegible] grants for 1931-32. ... I will [illegible] ... Funds for the construction of this ... Rs.[illegible] ... to balance the real ...

... estimate ... [illegible] ... the work of ... same can be taken ... [illegible] ... is doubtful ... [illegible] ... that they were, will now, ... [illegible] ... serious ... [illegible] ... from the Income ... [illegible] ... of the Institution ... [illegible] ... buildings.

3. ... all this ... [illegible] ... provide for more than Rs.[illegible] ... [illegible] ... Circular Memo. of the Inspector ...

[illegible] and amending Rs.3,000 may be arranged to be sent early.

The enclosures to your letter are returned.

Yours sincerely,

[illegible]

Secretary,
[illegible]
Public Works Department,
MADRAS.

SIR,

Construction of Gopuram to the Sri Dharmaraya Swami Temple in Ulsoorpet, Bangalore City.

In continuation of this office Memo No.P.C.93/34-35 dated 31-1-1936 on the above subject, I have the honor to forward herewith a revised estimate for R 4,050 prepared by the Executive Engineer, Buildings Division, Bangalore, in accordance with the modified design prepared by the Government Architect, resulting in an extra cost of R 1,550 over the amount already sanctioned and placed at the disposal of the P. .D.

2. For reasons explained in this office letter of the 2nd October 1934, I request that the estimate, as finally revised by the Chief Engineer, may be sanctioned and the work ordered to be commenced early in view of the undertaking of the Dharmadarsis to make up the deficit. In the event of the Dharmadarsis not fulfilling their promise, the balance required will be made available by disposing of the 6½ per cent. Loan Bonds held by the temple.

3. The original estimate for R 2,501 may be cancelled.

4. The entire file is enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.

- - - - - - -

ORDER NO: 815-18/ Muzrai 31-9
Dated, Bangalore, the 18-12-1936

For the construction of a Gopuram to the Sri Dharmarayaswami temple in Ulsoorpet, Bangalore City, an estimate for Rs.2501 was sanctioned by the Muzrai Commissioner, excluding the establishment tools and plant charges and the cost of the scheme was ordered to be met as indicated in the first Government Order dated 15-2-34 read above viz., Rs.750/- from Government funds, Rs.1010 from the contribution by the devotees of the temple and Rs.7 from the temple funds. On the ground

that the above estimate required revision in certain respects, the Muzrai Commissioner after further correspondence, sent a revised estimate for Rs.4050, which on scrutiny by the Chief Engineer was passed for Rs.4100 which includes provision of Rs.344 on account of establishment, tools and plant charges. The Muzrai Commissioner has stated that the estimate may be sanctioned and the work ordered to be commenced early in view of the undertaking of the Dharmadarsis of the temple to make up the deficit. He has further stated that in the event of the Dharmadarsis not fulfilling their promise, the balance required viz., Rs.1600 over the estimate for Rs.2500 ~~xx~~ sanctioned by him and now recommended to be cancelled, would be made available by disposing of the 6½% State Loan Bonds held by the temple.

In these circumstances Government are pleased to sanction the revised estimat for Rs.4100/- the cost being met as proposed by the Muzrai Commissioner.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

Read:-

Government Order No.1100-3/Mus. 190-35-2, dated 26th February 1936 sanctioning a contribution of Rs.750/- from the State Jeernodhara Nuzrai Fund towards the construction of a Gopuram to the Sri Somnathesvara swami temple in Ulsoorpet, Bangalore City.

2. Correspondence ending with letter No.C.2167/ 4-A-6 dated 21st October 1936 from the Nuzrai Commissioner in Mysore, submitting a revised estimate for Rs.4100/- for the above work.

3. Unofficial Note No.266 dated 17th November 1936 from the Chief Engineer, stating that the above revised estimate has been checked and corrected to Rs.4100/- including a provision of Rs.344/- on account of establishment, tools and plant charges on the work as proposed to be carried out by the Public Works Department.

Order No. 815-18/ Mucuy 114-34-9

Dated, Bangalore the 17th December 1936.

18

Sanction is accorded to the construction of a Gopuram to the Sri Somnathesvara swami temple in Ulsoorpet, Bangalore City, on a total estimate for Rs.4100 which was sanctioned by the Nuzrai Commissioner, excluding the establishment tools and plant charges and the cost of the work which was ordered to be met as indicated in the first Government Order cited above, viz., Rs.750/- from Jeernodhara funds, Rs.250/- for the contribution made by the devotees of the temple and Rs.100/- from the temple funds. On the ground that the estimate required revision in certain respects, the Nuzrai Commissioner in the correspondence, sent a revised estimate for Rs.4100/- which on scrutiny by the Chief Engineer was found for Rs.4130/- including provision of Rs.344 on account of establishment, tools and plant charges. The Nuzrai Commissioner has stated that the estimate may be sanctioned and the work ordered to be commenced early after the ascertaining of the Jeernodhara of the temple to meet the deficit. It was further stated that in the event of the

not fulfilling those promise, the balance required, i.e. Rs.1,600/- over the estimate for Rs.2500/- sanctioned by him and now recommended to be cancelled would be made available by disposing of the 6% State Loan Bonds held by the temple.

In these circumstances, Government are pleased to sanction the revised estimate for Rs.4100/- the cost being met as proposed by the Mineral Commissioner.

By order &c.,
